

Choose 1 or 2 choices, and work on them for a total of 30 minutes a week. (The other 20 minutes per week should be completing the district art challenge, photographing it, and posting/emailing it).

Draw shadows outside when the sun is very low, early in the morning, or late in the afternoon near sunset (it doesn't work well with the sun above your head), bring objects outside, and place them in front of your paper so you can see their shadows. Then trace the shadows and add any extra details or color inside when you are done. *You can also use a flashlight indoors to create a shadow.

If you could have any pet what would it be? Build a sculpture out of **legos or cardboard/recycled materials** to give your pet a home. Does it live in a dog house mansion? Does it live in a fish tank with lots of tunnels?

You can use a stuffed animal pet as a model to build a home around if you would like, or you can just imagine your pet inside your home sculpture.

Draw a comic strip with your superhero in it if you created one last week (if not, make one today). Include

Create homemade clay <https://www.thesprucecrafts.com/oven-flour-clay-recipe-1250343> Or use playdough to create a pet you would want and some pet toys for that pet.

Choose a how to draw video from: <https://www.youtube.com/user/ArtforKidsHub> Or <https://www.youtube.com/marydoodles>

If you could have any pet what would it be? Draw or create your favorite pet out of playdough.

Collect nature objects like leaves, sticks, grass, pinecones, shells, small rocks, etc.. and glue them on a piece of paper to make a nature collage, like the ones below (on the next page).

Trace your hand in a cool pose, and turn it into an animal drawing. Then color or paint your creation.

Play the roll the dice game below (on the next page). The first roll, draw whatever headpiece you land on, the second roll, draw whatever mask you land on etc..
