

Choose an option from this choice board OR from the PDFs attached below and work on it for roughly 30 minutes a week.

<p>Choose a how to draw video from: https://www.youtube.com/user/ArtforKidsHub Or https://www.youtube.com/marydoodles</p>	<p>Create homemade clay https://www.thesprucecrafts.com/oven-flour-clay-recipe-1250343 Or use playdough to sculpt different shapes/ objects of your choice.</p>	<p>Build a castle sculpture out of legos, blocks, or tape a castle together out of cardboard and other recycled materials.</p> 
<p>Draw a monster giving it a head, a body, and limbs.</p> 	<p>Try to make as many marks (squiggles, dots, stripes, curlicues, spikes, etc) as you can on a sheet of paper using any supplies you own, like pencil, markers, crayons, paint etc.. If you love it, leave it as is, otherwise, you can cut shapes out of this marked paper to make a collage.</p> 	<p>Have students practice drawing skills by drawing a shape on one sheet of paper, and having them try to copy the same shape on their paper. Then draw a new shape on your paper, and have them try to draw the same shape on their paper again. etc..</p>
<p>Collect nature objects like leaves, sticks, grass, pinecones, shells, small rocks, etc.. and glue them on a piece of paper to make a nature collage.</p> 	<p>Be like the artist Henry Matisse and cut or tear at least 5 different shapes out of paper and glue them on another sheet of paper to make a paper collage. You can use colored paper, lined paper, painted paper, printer paper, thin cereal boxes, newspaper, or any paper you have around the house to make this collage.</p> 	<p>Trace your hand in a cool pose, and color it in. If you want more of a challenge, turn your hand into an animal.</p>  <p>Want to see more ideas? https://www.youtube.com/watch?v=LtvGQ-lzk-8</p>
